

THE BRUTAL SELF-ASSESSMENT

A diagnostic tool to identify where you are leaking energy. Be honest.

Rate yourself on a scale of 1 (Never) to 5 (Always).

1. I use "When I..." statements to delay taking action. (e.g., "When I have more money, I will start"). ____
2. I organize my life around how I am seen rather than how I want to live. ____
3. I wait for motivation to strike before executing my daily discipline. ____
4. I abandon projects entirely if they don't turn out perfect on the first try. ____
5. I compare my behind-the-scenes reality to everyone else's highlight reels. ____
6. I negotiate with myself when an alarm goes off or a deadline approaches. ____
7. I feel like my body is driving the car, and my soul is just sitting in the passenger seat. ____
8. I let a "flat feeling" dictate the temperature of my entire day. ____

Total Score: ____

The Diagnosis

- **8 - 15: The Engine is Running.** You understand the assignment. You have built the habit of courage. The Momentum 60 challenge will simply pour gasoline on your fire.
- **16 - 28: The Messy Middle.** You start strong but motivation abandons you. You need *The But I Will Era*. Your immediate fix: Commit to the "Non-Zero Rule" today. If you can't do 100%, do 10%.
- **29 - 40: Paralyzed by Perfection.** You are waiting for confidence that was never going to show up first. You need *The Momentum Rule*. Your immediate fix: Do one scary thing today before you feel ready. Ship it messy.
